LTD TERMINATION ARBITRATION

UPDATE

Dear Brothers and Sisters:

Transportation District 140's legal counsel is currently in the process of preparing for the first LTD termination arbitration hearing scheduled for April 20, 2018 before Arbitrator Mark Brown.

Following the April 20th hearing, it is expected that further arbitration dates will be scheduled. As such, any members in receipt of Long Term Disability Benefits, who have received a termination letter from Air Canada, are discouraged from making any decisions at this time.

As more information becomes available, it will be communicated to the affected members.

In Solidarity,

Fred Hospes, President & Directing General Chairperson
Transportation District 140
