NEGOTIATIONS UPDATE – JANUARY 25, 2019

Dear Brothers and Sisters:

Your 2019 – 2022 TMOS Negotiating Committees have been busy preparing for face to face negotiations with Air Canada. All survey responses were reviewed and have formed the basis of the Tech-Ops, Airports and common item agendas.

Direct bargaining with the Company is expected to commence in early March. Further updates will follow.

Thanks to all who took the time to participate in the survey process. Please be reminded that the “Negotiations Survival Handbooks” will be available online, in the workplaces and in the Shop Committee offices.

Thank you for your continued support.

In solidarity,

Negotiations Committee
