AIR CANADA - TMOS

NEGOTIATIONS UPDATE – July 8, 2019

Dear Brothers and Sisters:

Your 2019 – 2022 TMOS Negotiations Committee has concluded the ninety (90) day period of direct bargaining with Air Canada. Unfortunately, a tentative agreement could not be reached.

Although bargaining agendas were exchanged, the Company showed little interest in meaningful negotiations. Cancelled dates, broken commitments and a less than casual effort is what the TMOS Committee and TMOS Members have received in exchange for helping Air Canada achieve and maintain record profits year after year.

Members should be disappointed with the superficial nature in which the Company approached the ninety (90) day period. Disappointed, but not discouraged.

We now head into the mediation phase of Appendix XXXIV. Vince Ready has accepted the parties' invitation to act as Mediator/Arbitrator for the remainder of the process. The first mediation dates are scheduled for July 22nd and July 23rd.

Again and as always, thank you for your continued support.

In solidarity,

Negotiations Committee
