TO ALL IAMAW MEMBERS AIR CANADA - TMOS DPLP / MITIGATION

Dear Brothers and Sisters:

On May 19th Air Canada People, Culture and Communications issued a communique regarding staff reduction mitigation programs currently being offered to IAMAW Members.

In addition to the Deferred Payment Leave Plan (DPLP) provided for in Memorandum of Agreement (MOA) No. 6 of the TMOS Collective Agreement, Air Canada is also offering Special Voluntary Leaves of Absence (SVLOA) and a lackluster retirement incentive they are calling a "Universal Mitigation Program".

Details of the plans have been provided on the Aeronet via link included in the communication but can also be obtained through your local Shop Committee representatives.

The DPLP and SVLOA are not available to Members who have received notices of lay-off. Successful participation in the DPLP and SVLOA programs do not prevent lay-off but, instead, trigger a temporary recall in order of seniority.

Please note that these mitigation programs are **NOT MANDATORY**.

Prior to the communication on May 19th, the IAMAW had been in direct negotiations with Air Canada regarding mitigation of staff reductions. Over and above the DPLP and the SVLOA, the Union made additional proposals including:

- Voluntary Separation Packages
- Retroactive elimination of the current Pension Cap
- Short-term Leaves of Absence
- Government Work Share Programs
- Extension of the CEWS Program
- Pension Buyback
