TO ALL IAMAW MEMBERS AIR CANADA - TMOS RE: TEMPORARY RECALLS

Dear Brothers and Sisters:

Air Canada informed the Union on Wednesday, June 3, 2020, that they intend to temporarily recall employees per the current collective agreement for a duration of less than 60 days. Since receiving this news, the Union has been in intense discussions with Labour Relations to not proceed with this type of recall.

The Union takes the position that these recalls should be of a permanent nature and seniority should be respected. The Company rejected the Union's position and informed the Union yesterday, June 4, 2020, that they are proceeding with temporary recalls.

The Union is extremely displeased with the Company's temporary recall procedures they intend to implement, and we will continue to raise concerns being brought forward by our members.

As more information becomes available, we will communicate with our members.
