AIR CANADA TMOS

RE: POLICY COMMITTEE VACANCY

Dear Brothers and Sisters,

Vacancy for one (1) additional Member (who is currently sitting on a Local Workplace Health and Safety Committee as a member of IAMAW Ramp, Cabins, Baggage, or GSE) to sit as a member on the National Policy Committee.

All interested brothers and sisters are invited to submit a letter of interest to Sally Crowther at the following email address: sally.crowther@aircanada.ca

Although all interested members are invited to apply, preference will be given to B Stations for this vacancy.

Also, since this is a national posting, the candidates may, if they wish, introduce themselves and include any experience, or information regarding their qualifications, or interest in this role that they would like to share.

The Policy Committee is one of six (6) at Air Canada and meets at least four (4) times a year, both virtually and in person, to exercise the fundamental right of our members to participate. Therefore, all expressing interest in joining this Committee do so with a commitment to make themselves available for these and other duties related to this position. This commitment includes the willingness and ability to travel when needed to other stations/locations for meetings, Risk Assessments etc.

The term will commence immediately upon selection and acceptance of the chosen candidate.

Applications must be received by no later than February 20, 2024. Applications must be in writing and should include your name, employee number, phone number, work location and email address (both Air Canada and a second non-Air Canada).

Upon receiving your request for consideration, you will be contacted by Sister Crowther.

The selection process is scheduled to take place by the end of February 2024.

In solidarity,

Guillaume Lingat
General Chairperson
Transportation District 140
IAMAW
